Product Description

This strong 4 wheeled walker comes with 7 years free warranty. The walker may be a touch heavier than others on the market, but its easy X folding system allows the user to pick the walker up much more effectively. Folding is made more compact with a unique handle height remembrance system, you can adjust the handles down with ease for storage into the car. The walker is one of the best under braking with large rubbered-in tyres and light touch brakes, easier for those with arthritis in their hands. The walker comes in 2 heights, small and medium. The Small handle height is adjustable between 71-86cm with 54cm seat height whereas the medium is between 78-100cm and 62cm seat height. The walker also comes with a free back support.
